REMARKS

This is a response to the communication from the Patent Office dated September 15, 2004, which indicates that the amendment filed on March 2, 2004 is considered non-compliant because it failed to provide the text for withdrawn claims 2 and 4-34. The applicant now submits a corrected listing of claims which lists claims 2 and 4-34 as withdrawn and includes their text.

Applicant respectfully submits that the complete submission of the claims now makes the reply filed on March 2, 2004 in response to the Office Action dated September 3, 2003, fully responsive. Entry of this amendment and consideration of the remarks in the reply of March 2, 2004, is respectfully requested.
